

2009 Summer Paddle at the Bronxville Village Courts

The Bronxville Platform Tennis Committee and the Village of Bronxville invite you to get a permit to play Day and Night **Summer** Paddle at the Bronxville Village Courts.

The permit allows you to play summer paddle and to purchase a hut key (\$3.00) to access the light switches, and puts you on the list of summer players which is emailed to permit holders.

The summer season starts in April, when the regular winter season and league play ends, and runs through September. A players' phone number and email list will be mailed or emailed to all who sign up.

Summer permit holders are encouraged to organize their own games, but John Stoffel coordinates (organizes) evening paddle, at 7:00 and 8:30 PM on Tuesdays. He emails potential players on Mondays, asking who would like to play Tuesday and whether at 7:00 or 8:30 PM. Emailed sign-ups are confirmed by email. It works quite easily. Those who prefer to set up their own games can have themselves excluded from the regular emails, if they wish, but still need a Summer permit to play, and are encouraged to set up their games other than Tuesday nights between 7 and 10 PM. Permit holders will have access to the Internet reservation system.

Ladies played summer paddle the past two years! They are most welcome!

Fill in your preferred playing times below. You can change times, drop out, or rejoin at any time. If you are going to play only one evening a week, Tuesday is best.

To sign up, MAIL your check for \$60.00, payable to: "**Village of Bronxville, Paddle Tennis**", along with your completed application below, to:
