**Re: Kensington Road Apartment Complex – Village of Bronxville**

Dear Mr. Kellard:

This letter is to certify United Water New Rochelle's ability and willingness to serve the above referenced apartment complex. Base on your domestic demands stated on your letter dated November 23, 2005, UWNR has adequate pressure and volume on the existing 8" water main located on Kensington Road in the Village of Bronxville.

Very truly yours,

UNITED WATER NEW ROCHELLE
