

Bronxville Public Library Unattended Children Policy

Bronxville Public Library welcomes children to use its facilities, resources and services.

Responsibility for children using the Library rests with the parent or adult caregiver, not the Library staff.

Children under 9 years old must be accompanied at all times by (that is, stay within the sight of) the parent or adult caregiver.

Parents must make arrangements to pick up older children by Library closing time. No child can be left at the library after closing time.

Parents will be informed of any instances of unattended children and asked to address the situation to ensure that it does not happen again.
